Statement of Relevancy of a Foreign Language References

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

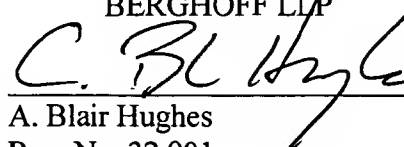

The EP 0 179 687 reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified in the International Search Report issued by the European Patent Office in a corresponding Patent Cooperation Treaty Application and by the Great Britain Patent Office in a corresponding Great Britain Application (copies of which are hereto) which identifies the reference as an "A" reference with respect to claims 1-10 meaning it is a "document defining the general state of the art which is not considered to be of particular relevance".

Respectfully submitted,

McDONNELL BOEHNEN HULBERT &
BERGHOFF LLP
